Additional information:

Major decorations worn on Conferment Ceremony and Conferment Dinner and Ball.

Women

Informal dress, Jacket suit: dress, jacket suit or pant suit

Sword: Some creativity is needed for female Doctor Promovendi when planning how to wear the sword, since the material of women's dresses won't usually stand for the sword being directly attached to it. To solve the problem, e.g. a belt with a loop could be used, the sword can be attached to a skirt at the waist by taking out some of the seam, or the fastening can be hidden under the top of a two-piece outfit. If nothing else works, the sword can also be carried in hand.

Men

Dark suit: black or dark blue suit

Informal suit: suit or separates
